Discussion

General communication with parents was discussed. Parents reading newsletter, emails, or flyers going home. PTO and school both try to give multiple notices for each event. Always looking for ways to improve communication.

It will be the policy of the PTO to not conduct business on social media.

PTO will communicate budget progress via website periodically. Will update parents where money was spent.

Encourage parents to participate in Shoparoo, Big Y bag program, Amazon Smile, and Box Tops.

Vote

A motion was made by K. Stone and seconded by J. Scerbo to re-allocated \$399 to go towards a sensory pathway that Mrs. Yost would like to install on the ramp. Motion was approved by all in attendance.
